Library News

- Monthly Board meeting, Thursday, May 11th, at 4:30pm. Public always welcome!!
- This month’s FREE Cinema Saturday movie will be *Shazam: Fury of the Gods*, Rated PG-13. Pop and snacks will be available starting a 2pm, on Saturday, May 21st. All movies are funded by a grant from the Lake County Community Foundation.
- If you have a computer disc, DVD, music disc, or game disc that is scratched and needs repair and/or cleaning, bring to the library and for a small fee of \$2 per disc, we will clean it to the best of our ability.
- The library has 6 Verizon Hotspots for patron checkout. A hotspot is a small device you can use to connect a wireless enabled device, such as a laptop, smartphone or tablet to the internet. Hotspots are portable, so you can connect your device to the internet almost anywhere you are, like at a home, in town or in the park. The hotspot device works in any area covered by the Verizon network.

To be eligible to check out a hotspot from the library, a user must:

- Be a library card holder in good standing with no outstanding charges, or missing items, and have a current account.
- Be at least 18 years of age with a valid driver’s license or state ID with current name and address.
- Read, understand, and sign the Hotspot Lending/Borrower Agreement.
- The hotspots are funded by the federal Emergency Connectivity Fund (ECF) and can only be provided to patrons who declare they do not have access to the equipment or services sufficient to access the internet.

If you feel that you meet the eligibility requirements for checking out a device, please come to the library to check one out. Items will be checked out on a first come, first serve basis for a period of 3 weeks, with up to one renewal if there is **not** a waiting list. Otherwise, patrons will be placed at the bottom of the waiting list.

FREE COVID-19 Tests from the Michigan Department of Health and Human Services

The Michigan Department of Health and Human Services (MDHHS) has procured a limited number of COVID-19 at-home (Over the counter/self-test) tests to partner with agencies who can assist in increasing access to COVID-19 testing resources. This program aims to increase access to free COVID-19 testing resources for individuals, families and communities who may otherwise struggle with access to healthcare resources, be hesitant to visit a COVID-19 testing location or may lack the funds necessary to purchase at-home test kits for themselves or their families. The **Luther Area Public Library** is one of those agencies.

1. Who can receive a test?

Tests may be provided to anyone interested in receiving a free test kit. Library will ask for address only for distribution purposes only. This information will not be kept nor shared with anyone.

2. How many tests can one person receive?

Library staff may provide one test kit per person in a household **daily**, up to 5 people.

Ex. 1: Mary states that they have 4 individuals in their household; therefore library staff can provide Mary with 4 COVID-19 at-home test kits for her household.

Ex. 2: Mark states that he has 8 people in his household. Library staff will be limited in providing only 5 test kits to Mark for his household due to supply limitations.

3. Does the library staff have trained individuals on how to use these tests?

No. MDHHS has provided written documentation explaining how to use, when to use, and what to do when receiving a positive or negative test result. Library staff **CANNOT** administer tests, nor provide any further directions for their use. Patrons are responsible for self-reporting and will be provided with the information on the handout sheet and the QR code on the kits.

Be the reason
Someone feels loved
And believe in the
Goodness in people.
