## FREE COVID-19 Tests from the Michigan Department of Health and Human Services

The Michigan Department of Health and Human Services (MDHHS) has procured a limited number of COVID-19 at-home (Over the counter/self-test) tests to partner with agencies who can assist in increasing access to COVID-19 testing resources. This program aims to increase access to free COVID-19 testing resources for individuals, families and communities who may otherwise struggle with access to healthcare resources, be hesitant to visit a COVID-19 testing location or may lack the funds necessary to purchase at-home test kits for themselves or their families. The Luther Area Public Library is one of those agencies.

"The willingness of America's veterans to sacrifice for our country has earned them our lasting gratitude."
